2024 SAGA CUP CHAMPIONSHIP

PRESENTED BY SOUTHERN ARIZONA GOLF ASSOCIATION

Quota Format

In this version of Quota, the goal is to beat a target of 36 points, and the golfer who exceeds that goal by the most is the winner.

How it works.

Your score on each hole earns you points in a quota tournament. Double Eagle = 8, Eagle = 5, Birdie = 3, Par = 2, Bogey = 1, Double Bogey = 0, Triple Bogey or worse = -1.

Every golfer begins with a certain number of points based on your course handicap. Start by determining your course handicap from the tee area you select. If your course handicap is 12; then 12 is your starting number of points. You tee off No. 1 with 12 points. If you par the first hole, you earn 2 points, and now you're at 14. Remember, we're talking about gross scores, not net scores. Your handicap is factored into the starting point. A plus 2 handicap will start with -2 points.

After the completion of your round, all points earned during the round will be added to your starting number. If you finish with 40 points, you beat the quota by four points, or +4. If you finish with 32 points, you finish at -4.

Again, the golfer who, in this version, beats 36 points by the most is the winner. Please contact a SAGA board member if you have any questions.
